Dear Mrs. Manley:

Kindly send roster of Newark Eagles and probable line-up with names and numbers of players...so that I might use for local publicity and a scoreboard which we get out for the games here. We send the material to the printer on Monday so I would appreciate the same not later than Friday, if possible.

Here's what I want:

10 Leon Day, p etc., with probable line-up.
and entire roster.

Thanks.

Yours truly,
Art Carter
